- 39 Aggressive Dog Pick Up
- 18 Nuisance/Barking Complaints
- 315 Other Calls for Assistance
Public Assistance, Setting Traps, Compliance Checks, Animal Bite Reports, Aggressive Dog Pick-up Safekeeping Pick-up, etc.

* HUMANE EUTHANASIA

Each year, Ventura County Animal Services (VCAS) provides medical care to thousands of animals through our dedicated veterinary team. While we strive to treat and rehabilitate every animal, some arrive in such critical condition that humane euthanasia is the most compassionate option.

In cases involving severe behavioral concerns, a Shelter Review Committee is convened. This

committee is comprised of shelter managers and animal care personnel. Every animal's unique circumstances are reviewed on a case-by-cases basis with careful consideration with input from multiple sources, including observational notes from shelter staff, volunteers, previous pet owners and adopters.

** HUMANE EUTHANASIA - CATS

The rate of humane euthanasia for cats increases during warmer months due to seasonal breeding.

Sadly, many kittens arrive in critical condition and often have poor prognoses. They may not even survive despite immediate medical attention. In such cases, humane euthanasia may be the most appropriate and compassionate course of action.

Please note: VCAS ended the humane euthanasia of healthy and treatable animals in 2012.
